

T22/2 Offshore

The Willans T22/2 Offshore Harness is manufactured under the ISO 9001:2000 quality system.

It meets the requirements of BS EN 813 (Sit Harness) as well as BS EN 358 (Work Positioning Systems).

The harness is equipped for waist level suspension and has work positioning triangles for use with an L0-3 Work Positioning Lanyard.

The harness is fitted with a wide, stiffened back-pad for extra comfort. "D" rings are provided at waist level for the carriage of tools. It is equipped with snaphook and ring fastenings for ease of donning when wearing gloves.

Fibre Identity Polyester

Triangular screw-gate fitting is included
