

#### Tool Lanyards

All tool lanyards have twisted loops which allow them to lie flat against both tool and attachment point.

The tool lanyard **T1** is made from 25mm lightweight web, colour orange. Overall length 1m.

The tool lanyard **T2** is made from 26mm heavyweight web. Colour yellow, overall length is 1.2m.

The tool lanyard **T3** is made from 26mm heavyweight web, colour yellow. Overall length is 1.5m. This lanyard is fitted with a stainless steel “D” ring enabling a tool to be hitched close to the user’s belt.
